

SFX Junior Says Thanks

An Active Team for Partnership Initiative

It has been a difficult year for children, adults, families and friends. However, in St. Francis Xavier's we are looking back on all the positive things that have happened. We want to create a whole school art project to show all the things that have made the children happy and thankful this year.

What you need to do:

- Your child will receive some paper and stickers home on Wednesday.
- Discuss what has made them thankful this year.
- Draw/Colour/Cut/Create a picture to show what they are thankful for.
- Return it to school by Wednesday 19th May.
- We will laminate and display a collage showing what the children of Saint Francis Xavier JNS school are thankful for.
