Ms Cummins

Our Active School Flag Team meet monthly throughout the school year to plan active events and challenges.

Active School Class Reps.

Every class has an Active School Flag representative. At these meetings we discuss new and existing initiatives. The committee suggest areas for further improvement. They each report active news back to their class, such as new yard games, new FMS and upcoming challenges. The active committee member also reminds their teacher to take active breaks and undertakes tasks such as filling in active challenge charts throughout the year.

PE Equipment Monitors

Our 2nd class children monitor the playground equipment and ensure it is in good and safe condition for use. They bring equipment into the yard and they encourage everyone to enjoy it.

Playground Leaders

Our 2nd class playground leaders show the younger children how to play the current playground game.

Active Line Leaders

Our active line leaders ensure that lines stay active at the end of yard break.

Dance Leaders

On Mondays and Fridays, we dance in the yard to our favourite songs. Our children are super dancers and they enjoy creating dance routines for everyone to follow.

We are very lucky to have so many sports clubs in our locality. Here are some of the clubs our pupils are involved with.

Working with Local Agencies

Throughout the year, we receive visits from our local GAA club's GPOs. The pupils learn new skills while having fun and playing new games. 1st class children enjoyed an athletic programme with Fingal's Sports Development Officer. Our 2nd class children enjoy attending swimming lessons in Coolmine, our local swimming pool.

Our school acknowledges physical activity effort, during and after school.

ASF Pupil Survey Results

Our school distributed an ASF questionnaire for pupils. We discussed the feedback and we implemented some actions in response. Pupils collected litter from the school grounds as an active break. Our playground leaders showed the children how to shoot hoops during break time. We have music during yard break on Monday and Fridays.

ASF Parent Survey Results

Our school distributed an ASF questionnaire to parents. We discussed the feedback and we implemented some actions in response. Here, the children are taking part in a nature trails where they are identifying some Irish wildlife. We also organised various taster sessions. In the second photo, the 1st class children are taking part in a martial arts taster session during Active School Week.
